1. About the Application

The National Apprenticeship Training Scheme (NATS) portal allows stakeholders to gain detailed information on the Apprenticeship Training Scheme (ATS), and access services provided by the Board of Apprenticeship and Training (BOAT)/Board of Practical Training (BOPT). The stakeholders, such as Technical Institutions, Establishments (Central, State and Private Sector), Candidates and Employees of BOAT/BOPT can use the portal as described below:

- **Technical Institutions** can upload information about their students and view the details related to their selection, sponsorship and placement status in different industries or establishments. They can also view details of available training slots based on subject, branch and fields.
- **Establishments** can view information on how to enrol apprentices for the training scheme, receive notifications for new training positions and recruit apprentices, manage various reports posted to BOAT/BOPT, and submit apprenticeships, contracts, and claims.
- **Employees of BOAT/BOPT** can use the portal to send a list of candidates to industries or establishments for apprenticeship training, issue Registration Numbers and certificates, display list of industries with vacancies for apprenticeship training, view details on claims reimbursement, and send all correspondence related to NATS.
- **Candidates** or students can use the portal to enrol for the Apprenticeship Training, receive information on available Apprenticeship vacancies and their benefits, employment news, interview tips, and view information related to their reports and certificates.

The portal can be also be used to provide insights related to Apprenticeship Training such as:

- budget requirements and costs
- manpower needs
- analysis of supply-demand pattern
- placement of apprentices
- utilisation of resources

1.1. About NATS

The National Apprenticeship Training Scheme in India was started by the Board of Apprenticeship and Training/Practical Training. It is a flagship programme from the Government of India, and undertaken by the Ministry of Human Resource Development. The programme is aimed at enhancing the employability of students by equipping technically qualified youth with practical knowledge and skills required in their respective field(s) of work.

As part of this programme, organisations and Training Managers provide year-long or six months relevant training to apprentices using well-developed training modules. The establishments can pay stipend amount greater than or equal to the minimum stipend amount fixed by the Government of India to the apprentices. The establishments are reimbursed with half of the minimum prescribed stipend amount.

The apprentices are trained at Central, State and Private organisations. At the end of the training programme, the apprentices are issued a Certificate of Proficiency by the Government of India. This certificate can be registered at all employment exchanges across India as valid employment experience. The apprentices are governed solely by the Apprentices Act, 1961.

1.2. NATS Dashboard

After logging into the NATS portal by using your login credentials generated during enrolment, you will see the following dashboard based on your access rights.

- Establishment Dashboard

The screenshot displays the NATS Establishment Dashboard for BRAHMOS AEROSPACE THIRUVANANTHAPURAM LIMITED. The page features a blue header with the NATS logo and the Government of India emblem. The main navigation bar includes links for Home, Communication, Employment, Apprenticeship, and My Profile. The dashboard content is organized into several sections:

- Facilitate Training and Placement:** Shows "No pending requests".
- Job Fair:** Shows "No JobMela Invitations available" with a "View All" link.
- Grievances:** Shows "No pending requests".
- Contracts:** Includes a warning: "Please be aware that the system will allow contract registration only within 7 days of the apprentice joining the training." and lists contract numbers: [SKLG006150500348](#), [SKLG006140400145](#), and [SKLG006150400339](#). A "More" link is also present.
- COMMUNICATION CENTER:** A large empty box at the bottom of the dashboard.

3. Managing Establishment Enrolment

You can use the Enrolment module to enrol as an establishment. After the enrolment, you can perform tasks based on your access rights.

An establishment can enrol to recruit students with any of the following qualifications:

- Graduation
- Technician

This chapter contains the following section:

- [Enrolling Establishment](#)

3.1. Enrolling Establishment

You can enrol as an establishment if you have the requisite infrastructure and trained managers and supervisors to impart training to the apprentices. You can offer training to graduate and diploma students for a year or six months (sandwich students), with subsidy from the Government of India. You can also absorb apprentices onto regular roles in the establishment as per your requirement after the completion of apprenticeship training. It is not mandatory for an establishment to provide transport, food or medical facilities to an apprentice.

After the establishment has been successfully enrolled and approved by BOAT/BOPT, you can perform tasks such as receive notifications for new training positions, forwarding the progress of an apprentice, managing recruitment of apprentices, and managing online submission of claims, apprenticeship contracts and training-completion reports.

This section contains the following topics:

- [Enrolling Graduate and Technician Establishment](#)

3.1.1. Enrol Graduate and Technician Establishment

You can enrol as an establishment to train graduates and technicians. During enrolment, you can specify the number of graduates and technicians that you plan to train and also the stipend for each. During the enrolment, you must upload supporting documents to be sent to BOAT/BOPT, such as PAN/TAN ID, company profile, latest Income Tax Return, Structured Training Module and Certificate of Incorporation.

Have the following items in hand to enrol with ease: Details about factory or place of training, Infrastructure and Manpower, and Nature of technical activity practiced in the establishment.

To enrol graduate and technician establishment
